General Visitors: None

ERAU Members: None

ERAU Visitors: None

Opening

- President Jack Hardy called the meeting to order at 8:37am. Started early due to heat.

President's Report and New Business (Jack Hardy):

- Welcome remarks—The president thanked all for attending
- Thanks to Art for bringing the coffee.
- Thanks to John Kiefer for hauling away trash and cleaning up the tool storage.
- The replacement for ramp #2 is in the works. To be installed soon.
- ERAU will not host the air show this year. There will be Home Coming events. There will be no CdA static display.
- Thanks to all who participated in the runway work on July 1st.
- Come out early, the weather has been great for flying early.
- All club officer positions are open and elections are coming soon. Anyone interested in participating on the board should contact Jack Hardy.

Vice President's Report (Jack Kalota):

- (not present).

Safety Report (Tom Gatchell):

- Thanks for being safe. "Everybody crashed safely".

Flight Instruction (Gene Tomek):

- Our new member, Eric Turnbull, has been training and doing quite well.

Casa de Aero

General Membership Meeting

Casa de Aero Flying Field
Saturday, July 10, 2021

Treasurer's Report (Dave Marston):

- Our checking balance stands at \$5300 with all known receipts and bills accounted for.
- No indoor flying is planned at this time.

Secretary's Report (Al Weikart):

- The board has completed revision/update of the club "Rules and Regulations". There isn't much change except addition of the FAA requirements. The revision must be ratified by a 2/3 vote of members present at the meeting. The revision will be sent to the membership soon in anticipation of a vote at the August General Meeting.

Rick Lehman provided Regulatory Compliance comments,

- All members are expected to complete FAA TRUST. The link is on the AMA website as well as many other sites.
- Old rules vs new rules.
- Rick sent an email with further information.

Gary Cosentino requested another table for the helicopter area. We have more members flying helicopters. A table was relocated to the helicopter area immediately following the meeting.

Meeting adjourned at 8:57am.

Respectfully submitted:
