### Secretary's Report (Al Weikart):

- We have had 44 members renewal so far.
- Bob Vaught has taken over "Happenings". He's expanding it and being creative. When you see Bob, please say thanks. It is not a small chore that he has voluntarily taken on.

### Other business:

- We need a volunteer to maintain the website.

Dave Domzalski brought his model of the USS Arizona. He bought an RC car on sale and used the electronics to turn the boat into an RC model. Although it is not an airplane, the model carries Corsair airplanes.

Meeting adjourned at 7:25pm.

Respectfully submitted:
